

2008 Business Plan for the Employment Law Committee

- 1 To hold quarterly meetings to discuss matters of interest, including:
 - (a) monitoring new cases within the field of employment law
 - (b) monitoring new legislation within the field of employment law
 - (c) monitoring new proposals for legislation within the field of employment law, including:
 - (i) forming working groups to respond to government consultations and proposals
 - (ii) forming working groups to respond to consultations and other proposals from other bodies, e.g. ACAS
 - (iii) the above working groups to attend meetings organised by stakeholders where appropriate
 - (d) monitoring legal/business developments particularly relevant to the field of employment law
- 2 To report, via meeting minutes, on the above discussions and responses to CLLS Committee
- 3 To liaise, where appropriate, with other specialist CLLS committees in relation to the above
- 4 Where appropriate, to be a spokesperson on the above issues, particularly in response to government consultations and proposals for legislation
- 5 To recruit additional members to replace recent departures.
