Dear Katherine

**Further consultation on changes to the Insolvency Act 1986: Revised proposal concerning the use of websites by insolvency office-holders in their communication with creditors/members**

I write in my capacity as chairman of the Insolvency Law Committee of the City of London Law Society.

The purpose of this letter is to express the Committee's support for the proposal not to require insolvency office-holders to obtain the consent of creditors as a pre-condition to sending reports and other documents via a website, as set out in your consultation paper dated 15 August 2008. We agree with the conclusions reached by the Insolvency Service in that paper.

Yours sincerely

Hamish Anderson
