

## **ESG Law Committee – Appointment of new members**

The City of London Law Society (CLLS) is setting up a new ESG Committee to develop its work in the environmental, social, and governance sphere and its representation of the legal profession in the City of London in its work across this area of work. The CLLS would therefore welcome applications from prospective new members.

Applicants should be members (including affiliates) of the CLLS either individually or as part of a CLLS Corporate Member firm. While applicants should be experienced in this area, we are also looking to attract innovation and enthusiasm for the roles. As such, applicants need not be at partnership level. They should be committed about the opportunity to contribute to the work of the Committee, and be able to dedicate enough time to participate in its work, including regular meetings in the City of London.

To apply, please send a CV and give an indication of your main areas of interest in the work of the Committee to Kevin Hart by e-mail at [kevin.hart@citysolicitors.org.uk](mailto:kevin.hart@citysolicitors.org.uk). Please put “City of London Law Society ESG Committee” in the subject-line. The deadline is close of business on **Friday 4<sup>th</sup> November 2022**.

If you need any further information about the committee, please contact Kevin.

***The CLLS is committed to the principles of equality, diversity and inclusion, and welcomes applications from all members of the profession irrespective of age, disability, gender, race, religion or sexual orientation.***
